ANIMANIAC'S PICK(S) OF THE MONTH

This month finally sees a hit fansub favorite coming to the masses: the irresistibly cute *Saint Tail*. Of cour most of my attention, like most *Lain* fans, is focused on next month's release of the psychodramatic thriller *Boogiepop Phantom*. Every episode is a piece of a the larger puzzle and you must piece together what really happened 5 years ago during a string of grisly murders…
